UNIVERSITY OF MARYLAND HOCKEY

Welcome to the University of Maryland and the 2000-2001 edition of the University of Maryland Ice Hockey Program. The 2000-2001 hockey team is represented by players from major junior and midget programs, all-state teams, prep schools and transfers from collegiate varsity teams. The team has its home in The Gardens Ice House, a three-rink complex that is 10-minutes from campus.

***The University of Maryland and its Student Athletes***

***The University of Maryland, College Park*** is a public research university, the flagship campus of the University System of Maryland, and the original 1862 land grant institution in Maryland. In keeping with the legislative mandates of 1988 and 1999, the University of Maryland is committed to achieving excellence as the state's primary center for research and graduate education and as the institution of choice for undergraduate students of exceptional ability. To realize its aspirations and fulfill its mandates, the University advances knowledge and provides superior and innovative instruction in a broad range of academic disciplines and interdisciplinary fields. It also employs knowledge for the benefit of the economy and culture of the state, the region, the nation, and beyond, and it does so in ways that realize one of its most cherished values, human diversity.

The University of Maryland, College Park is the only public Carnegie Research I institution in Maryland and one of only 60 American members of the Association of American Universities. In line with its mission and goals, the University values the Ph.D. and terminal professional degrees such as the M.B.A. as its signature degrees, but it also awards a wide range of bachelors, masters, and other doctoral degrees.

Undergraduate enrollment now stands at 24,638. There are 2467 full-time faculty in 13 colleges and schools on campus. Undergraduates can major in any one of 102 programs of study. The freshman class entering in September 2000 was the best to date at the university. About 30 percent of the new freshmen (1,328 students) scored 1300 or higher on the SAT, compared with 25 percent, or 1,105, last year. The average cumulative high school grade-point average was 3.61, compared with last year's 3.54. The SAT scores of the "middle 50 percent," those between the lower 25 percent and the upper 25 percent of freshmen, ranged from 1150 to 1320, compared with last year's 1120-1300.

Given all of the information offered above, we are proud to acknowledge that the hockey team excels not only on the ice, but also especially in the classroom.

# UNIVERSITY OF MARYLAND HOCKEY

## OFFICIALS

Head Coach.....Brian Byrnes
Assistants.....Dave Amaral, Mike Hickey, Ken Rubin
Club President.....Mike Caldarella
Club Vice-President.....Josh Rubin
Club Secretary.....Jarron Gass
Club Treasurer.....Andy Sheahen
Faculty Advisors.....Phil Candela, Jim Milke, Ken Rubin

### 2000-2001 ROSTER

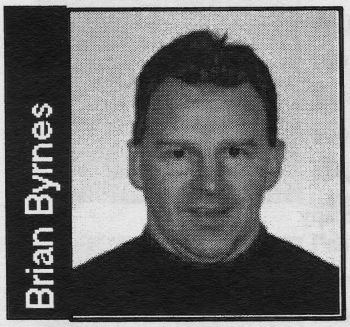
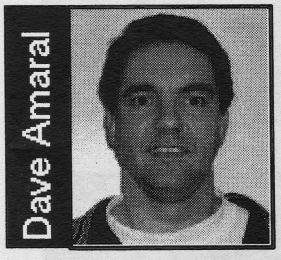
# Coaching Staff

## Head Coach

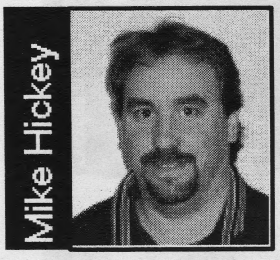


**Coach Brian Byrnes brings an aggressive style of hockey to the Maryland team, which he has been coaching for six years. Brian grew up on Long Island and played for both perennial powerhouse St. Mary's High School as well as the Suffolk Junior Royals. He was scouted and recruited by coach Charlie Holt and played for the Division I New Hampshire Wildcats. Brian was selected to the ECAC all star team in both his junior and senior years. After receiving his B.A. in business, Brian was signed by and played for the NHL Boston Bruins. In addition, he played for the Moncton and Portland teams in the AHL as well as the Milwaukee franchise in the IHL. Away from the ice, Brian resides in Gaithersburg with his wife, Christine Wilson, and is a Senior Project Manager for HITT Construction Company.**

## Assistant Coaches



**Dave is a second year coach with the Maryland Hockey Team. He was a member of the Maryland Hockey Team from 1982-1986, and was named the MVP in 1985. He served as a player-coach in 1986 and as an assistant coach from 1987-1989. Although born in Rhode Island, Dave first learned to play hockey in the Washington area before playing two seasons in Ontario. Dave played high school hockey at nearby Eleanor Roosevelt Senior High and junior hockey for the National Champioship, Washington Crusaders before attending the University of Maryland. He presently lives in Lanham with his wife, Sharon, and works as a marketing executive for Musak.**



**Mike is a Maryland native who has been involved with various hockey teams in all age categories. He has been active in player recruitment for the past five years. Mike is also the Head Coach of the Washington Ice Dogs -- a hockey prgram for special needs children. Mike lives in Laurel and works at the School for Contemporary Education in Laurel Maryland where he works with emotionally disturbed children.**

**Ken Rubin grew up playing in the outdoor rinks of Montreal, Quebec. As a teenager he played at what today would be referred to as the AAA (Tear 1) level. He attended McGill University and received his Ph.D. from Penn State in 1971. Ken is currently Professor and Director of the Center for Children, Relationships and Culture in the Department of Human Development at the university. Ken has coached hockey for over 15 years. His teams have included the Waterloo (Ontario) Select PeeWee Warriors, the Reston (VA) Midget A Raiders, and the Baltimore JR B Bandits. This is his second year as assistant coach and Faculty Advisor.**

# *ACHA HOCKEY*

The ***American Collegiate Hockey Association*** (**ACHA**) is an organization of College/University affiliated programs that provides structure, regulates operations and promotes the quality of collegiate ice hockey. The **ACHA**'s primary mission is to support the growth of two year and four year collegiate hockey programs nationwide. The ACHA identifies standards which serve to unite and regulate teams at the collegiate level.

The University of Maryland plays in the ***Atlantic Coast Conference Hockey League*** (***ACCHL***), a Division 2 league within the ACHA. Teams in the ***ACCHL*** include the following: Duke University; Liberty; North Carolina State University; University of North Carolina; University of Virginia; Virginia Tech University; Virginia Commonwealth University. The University of Maryland joined the ***ACCHL*** in 1998 and won the league championship in the 1998-1999 season. In 1999-2000, the Terps recouped after a slow, regular season start and eventually made it to the league finals, ultimately losing to the University of Virginia, in the championship game.

There are eight competitive leagues in **ACHA** Division 2. These eight leagues comprise ***96*** teams that compete in four nation-wide divisions – Northeast, Central, West, and Southeast. The **ACCHL** is a member league of the ***Southeast Division***. Four teams from each division are selected to participate in the year-end National Tournament. At the time of this writing, the University of Maryland was ranked in the top 10 of the Southeast Division. With 2000-2001 season games remaining against other ranked teams, the goal is to receive an invitation to participate in the National Tournament at season's end.
